# WELCOME TO OPERATION RE/MAX

# GETTING STARTED

## Discover a career that moves with you.

As the world's leading real estate network, RE/MAX offers a wealth of career opportunities.

## And there's a spot in our family reserved just for you.

Created in 2006 in conjunction with the U.S. Department of Defense Military Spouse Employment Initiative, the Operation RE/MAX program is specifically designed to help military spouses, veterans and transitioning personnel discover, train for and find successful careers in the real estate industry.

A variety of positions are available in the more than 4,200 RE/MAX offices across the United States. And the experience can transfer to RE/MAX offices in more than 65 countries.

Join a RE/MAX office as an agent or find a position as an office staff member working in finance, marketing, recruiting and more.

## Best of all, when duty calls you can relocate without leaving your career behind.

There is no cost to participate in the Operation RE/MAX program. Depending on the position you choose and your goals, licensing and other fees may apply.

## We've made a promise to our military families.

With Operation RE/MAX, it's our honor to support those who dedicate their lives to protecting our country.

You can find Operation RE/MAX offices in several ways:

- **By contacting the Family Support Center**

on your military installation for more information. This center has a list of participating offices in your area as well as other information you might need to get started.

To find a Family Support Center near you, go to [www.servicelocator.org](http://www.servicelocator.org).

- **Through career fairs** – Previously held Department of Defense-sponsored career fairs have been highly successful in connecting RE/MAX offices with people just like you. Look for one near you.

- **At “60 Minutes With RE/MAX” events** – These events are informational sessions sponsored by RE/MAX offices. This is a great way for you to learn more about a career in real estate with RE/MAX, education and licensing requirements, and to meet with RE/MAX Broker/Owners and Managers.

- **operationremax.com** – Program information and a list of regional and local RE/MAX offices ready to help military spouses, veterans and transitioning service members are updated regularly on [operationremax.com](http://operationremax.com). Go to [www.operationremax.com](http://www.operationremax.com) or contact us at

[operationremax@remax.net](mailto:operationremax@remax.net) to register or for help in connecting with RE/MAX regions and registered offices.
